

If you're feelin' down and your budget's low

Fifth Avenue is the place to go

*PO Boy Sandwiches and Tater Chips
Will make you smile and lick your lips*

It ain't shrimp or filet mignon

But know that you'll feel right at home

A moonpie sure tastes mighty fine

Some say that they are quite divine

And just to add some extra cheer

There's RC Cola and Root Beer (and more...)

So come and visit with your homebuilder friends

And bring your day to a perfect end!
