

Join the
Tennessee Mining Association
for a Mine Tour

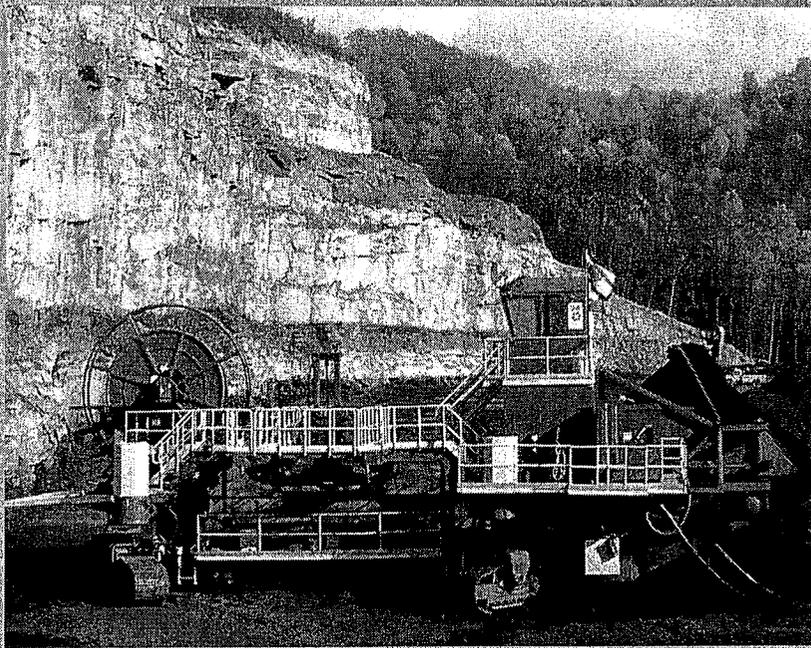

Friday, October 22nd, 2010

12:00 p.m.

Indian Mountain State Park
143 Indian Mountain State Park Circle
Jellico, Tennessee

Lunch will be served
followed by a group tour of
abandoned, active and reclaimed
surface coal mines

RSVP to Chai Duckworth at 865.671.7733
or cduckworth@tnmining.com

See active coal extraction
with a highwall miner – a
truly sophisticated
machine capable of
mining one thousand feet
into the mountain and
efficiently and effectively
producing coal from
previously mined areas.
