ADAMS AND REESE LLP

Adams and Reese is located in the Fifth Third Bank Building at the corner of 5th and Church. Parking is available on a first come, first serve basis in the garage under our building. If you are entering downtown on Church Street, turn left on 5th Avenue and take an immediate right into the Fifth Third garage. If the garage door is down, honk your horn and the guard will raise the door. Drive down to Level B and press the button at the gate to let Security know you are with Adams and Reese. You may park on Level B or C.
