PRODUCERS MOVING TO TENNESSEE

For insurance producers moving to Tennessee, the following will be required to file a resident TN electronic application:

- Inactivate your previous resident license (do not switch the license to a nonresident license at this point)
- Inactivate your TN nonresident license (if licensed in TN as a nonresident now) by submitting a signed/dated request to us at ce.agent.licensing@tn.gov or fax to 615-532-2862.
- Once both have been inactivated and loaded to the National Producer Database, you should be able to file an application for a resident TN license online at www.nipr.com within 24-48 hours. The fee is \$50.00.
- After your TN resident license is issued, you will then need to contact your previous state regarding a nonresident license there if needed.

NOTE: Tennessee resident application must be submitted within 90 days of your previous resident state license cancellation/move to TN to be exempt from TN exams. (The variable life and variable annuity line of authority requires a 2nd application and fee after a life license has been issued.)
