His application was initially presented to the Barber Board at the October 2011 meeting at which time the Board voted to request additional information as to hours of instruction in the barber curriculum and a breakdown of the barber curriculum in Nigeria submitted for review. Mr. Dimpka explained the process for becoming a barber in Nigeria to the Board. After discussion the following motion was made.

Ralph Payne discuss with Board Members he has researched the issue of barbers performing waxing. Waxing, pedicure or manicuring beyond basic service is not in the barber book used for instruction in barber schools in Tennessee therefore waxing should not be taught in the barber schools. After a lengthy discussion the determination was made that a rule is needed that would give clarification to this issue.

After discussion the following recommendation is made by the Board-

At this time the Barber Board feels at this point the practice of barbering does not include pedicures, or manicures beyond basic nail care and also does not include waxing services.

MOTION made by Donald Collins and seconded by Larry High to approve this recommendation by the Board. Motion carried unanimously.

MOTION to adjourn made by Larry High and seconded by Ralph Payne. Motion carried unanimously.
