6. **2013007581**

License Expiration: N/A

The Notice of Violation alleges that the area inspector observed the owner of the shop practicing on a client's hair with an expired master barber license in unlicensed barber shop. The Board previously authorized a cease and desist advisory notice against the Respondent for operating unlicensed barber shop at its February 2013 meeting.

Recommendation: Authorize a formal hearing with authority to settle by Consent Order and payment of a \$ 500.00 civil penalty, the Respondent shop must reinstate its license to good standing, and the Respondent must receive a follow-up inspection which confirms that the sanitary violations noted in the Notice of Violation have been corrected.

7. 2013003301

First License Obtained: 04/08/1992

License Expiration: 03/31/2015

This complaint was previously considered by the Board at its February 2013 meeting. The complaint alleges that the Respondent was practicing in a barber shop with an expired shop license, and that the shop was moved to a new location without proper inspection and approval. The investigation revealed that the Respondent was previously issued a Notice of Violation on 04/12/2011 for changing the shop's location without first submitting an application for an inspection and approval of the new location. Board records indicated that the shop was closed for business, and based upon this information, the Board decided that the file be closed and flagged at its February 2012 meeting. The Board previously authorized settlement of this complaint via Consent Order upon payment of a \$ 500.00 civil penalty by the Respondent. Upon receipt of the Consent Order, the Respondent immediately brought its shop license current, had an inspector perform an inspection of the shop at its new location, and passed its inspection with a score of 100. The Respondent, through counsel, requests leniency from the Board in the amount of the civil penalty on the grounds that this is the Respondent's first disciplinary action before the Board and that the Respondent promptly complied with all Board conditions to remedy the alleged violations set forth in the complaint.

Recommendation: Authorize a formal hearing with authority to settle by Consent Order upon payment of a \$ 500.00 civil penalty (Board's prior settlement offer/disciplinary recommendation remains unchanged).

MOTION made by Larry High and seconded by Donald Collins to approve the recommendation. Three yays; one nay; MOTION approved.

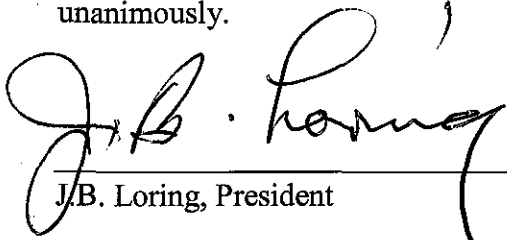

MOTION made by Donald Collins and seconded by Larry High to approve the Legal Report as amended. Motion carried unanimously.
