Page 5 1 MS. VEST: Well, that's the East 2 Tennessee Human Resource Agency? Well, we can reach 3 out to them. 4 MR. BAYNE: I think that would be great. 5 MS. VEST: This is the first one I have 6 seen. 7 MR. BROWN: It's a post-approved program, 8 so I have no trouble with that at all. That's 9 encouraging. But if they can get into our system 10 where other folks could take advantage of it, you 11 know, I think it would be worthwhile. 12 MS. VEST: Okay. We'll table this one, 13 we'll make some attempts at corresponding with her, 14 get some more information, and bring it back to the 15 January meeting. 16 The second one we have here is the 17 Hetherington Group, H-E-T-H-E-R-I-N-G-T-O-N. I don't 18 know how you pronounce that. 19 CHAIRMAN VALENTINE: Hetherington. 20 MS. VEST: Okay. What they are asking, 24 she did some webinars here, would be like to be an 25 approved vendor. You did get all that material to	 Page 7 Advanced Investigative and Screen Solutions, it's A.I.S.S. Online Private Investigative Basic Surveillance Course, misspelled there, but we got it. They want 16 hours of continuing education. Did we have an opportunity to look at that? Do we have any approval or disapproval on this 16-hour course for continuing education? CHAIRMAN VALENTINE: I don't have an issue with it. He is a member of the Texas Continuing Education License and he is in Texas, so. MR. BAYNE: I'm okay with it, too. MR. BROWN: Likewise. MR. ROUSSEAU: Me too. MS. VEST: Mr. Flair, how about you? MR. FLAIR: Yes, I concur with the program. MS. VEST: All right, thank you. You received some information yesterday on from Jack Flay Fay, sorry, Jack Fay, F-A-Y, on his course. He did send a request in and we had to correspond back with him, did he not put the hours or did not meet the requirements. So what you are seeing now, he did put the MS. WILLIAMS: Resume and

I have my 8 phone on mute to make sure we keep a good connection, 9 it'll take me about a second to get it off mute, but 10 I concur with this. 11 MS. VEST: You didn't have any questions 12 about her about this company being a provider? 13 MR. VEST: All right.8MR. BAYNE: I went through the 39 pages,9compared it to the current approved list, and most10likely there are only two errors. The one course11that's offered by Learning Shop USA, that is on the12approved list, titled Civil Process, is not in the 3913pages he offered. The second question is the Arson14Investigation Program that is 8 hours on the approved15list, he identifies it as 6 hours. So perhaps two16insignificant errors, but questions, nevertheless.17MS. VEST: Yes, this is Mr. Fay,18he's we know he's on the course approved list. He19has expired, so he had to resubmit his courses. It20could simply he changed it?21MR. BAYNE: Could be, okay.22MS. VEST: Something you want me to check23into?24MR. BAYNE: So you could take off the

Page 9 1 course number, and I'm great with that. 2 CHAIRMAN VALENTINE: He still has enough 3 hours 4 MS. VEST: Oh, yes. The whole course, 5 yeah. But now you have to tell me what do you want 6 me to remove again? What do I need to look at? 7 MR. BAYNE: On the approved list, it is 8 called the Civil Process, under the Learning Shop 9 USA, a/k/a Jack Fay. Since he did not request 10 approval for that, it needs not to be on his list. 11 MS. VEST: Okay. 12 MR. BAYNE: Likewise, he offers an arson 13 class, an arson course, he indicates 6 hours on his 14 approved on his request, and currently it's listed 15 as 8.
