The Commission discusses the matters to determine whether there is probable cause that a violation of the Broker Act and/or the Commission's rules has taken place, and the Commission authorizes appropriate action. The matters to be presented include:

Please note that the cases listed include only those in preparation at the time of publication of the Agenda and that after publication and prior to presentation, cases may be supplemented, deleted or added.

Consent Order Log: The Consent Order log consists of a spreadsheet maintained by legal counsel which lists information about Consent Orders which have been authorized by the Commission at previous meetings and sent to Respondents but have not yet been accepted. This log is maintained as a tracking mechanism to ensure that any Consent Order which is not accepted is timely transferred to a litigating attorney to prepare the matter for a formal hearing.

Please note that the order of items on the agenda is subject to change and that after publication and prior to, or during the meeting, items may be supplemented, deleted or added.

Commission meetings will be conducted by permitting participation of the Commission members by electronic or other means of communication if necessary.
