

Tennessee Sample - Initial Notification

National Emission Standards for Hazardous Air Pollutants:

Area Source Standards for Asphalt Processing and Asphalt Roofing Manufacturing

40 CFR 63 subpart AAAAAAA

This is an example of the type of information that must be submitted to fulfill the Initial Notification requirement of 40 CFR 63, subpart AAAAAAA. **Notice is due by April 1, 2010.** You may submit the information in another form or format, or you may use this form.

Section 1. Facility Information

Yes, I am subject to 40 CFR Part 63 subpart AAAAAAA, National Emission Standards for Hazardous Air Pollutants: Area Source Standards for Asphalt Processing and Asphalt Roofing Manufacturing

No, I am NOT subject to 40 CFR Part 63 subpart AAAAAAA. Reason not applicable: _____

If you checked the "No" box above, please state reason and complete only Section 1 of this form and then proceed directly to Section 3 of this form (skip Section 2).

Owner/Operator name/title: _____

Owner/Operator address: _____

Owner/Operator telephone number: _____ Fax: _____

Owner/Operator email address (if available): _____

Company name _____

Facility (physical location) address: _____

Compliance Date: Existing source: December 2, 2010 New source: _____
(Date of startup)

Is the Operator the same person as the Owner? Yes No

Is the facility an area source* that processes asphalt and/or manufactures asphalt roofing products using saturation and/or coating process to apply asphalt to a substrate?

*Area Source: Sources that emit less than 10 tons annually of a single HAP or less than 25 tons annually of a combination of HAPs

Yes No

Does your facility process, use, or generate materials containing polycyclic aromatic hydrocarbons (PAH) a hazardous air pollutant(s) (HAPs) and particulate matter (PM)?

Yes No

Is your facility identified by one of the following NAICS code(s)?

Yes No

Check applicable NAICS code: 324110 or 324122

Section 2. Identification of Affected Operations

The following are the operations at this facility subject^b to subpart AAAAAAA

(check all that apply)

Asphalt Processing		
	Use of asphalt process (blowing stills) operation	<input type="checkbox"/>
Asphalt Roofing Products		<input type="checkbox"/>
	(1) Production lines that use a coater only	<input type="checkbox"/>
	(2) Production lines that use saturator only	<input type="checkbox"/>
	(3) Production lines that use both saturators and coaters	<input type="checkbox"/>

^b **Important Note:** These operations are affected sources under subpart AAAAAAA **only if/when** they use materials or generate emissions that contain or have the potential to emit **polycyclic aromatic hydrocarbons PAH (HAPs)**.

This area source rule **does not** apply to hot mix asphalt plant operations used in road pavement.

Section 3. Certification

I hereby certify that the information presented herein is correct to the best of my knowledge.

(Signature)

(Date)

(Name/title)

(_____)_____
(Telephone No.)

Submit the information to **BOTH** of the following addresses:

Tennessee Department of Environment and
Conservation
