Subject: Camden Update 7-18-2017

Dear Camden Citizens –

Below is a summary of items that have occurred at EWS from Saturday 7/8 through Friday 7/14. My previous update covered the period through Friday 7/7.

Pat.

- Continued to ship Aluminum Processing Waste Cell leachate off-site for disposal
- Continued to treat Industrial Waste Cell leachate
- Performed routine daily gas system and cover operation and maintenance activities
- Repaired erosion from stormwater on the Aluminum Waste Processing Cell
- Performed daily ammonia monitoring
- Continuing site clean-up and housekeeping activities
- Development of closure design ongoing

One final administrative note regarding the EWS permit termination. The permit termination notification was received by the bankruptcy trustee on July 10, 2017. Therefore, the effective date of the permit termination was July 11, 2017, as described in last week's Camden Update.
